- **Lent walks along the FPW (poster attached)**

Following on from the enthusiasm and positive comments of those who came on the 2nd Jan I am organising some shortish walks during the weeks of Lent. They will have a Lentern theme, and they will hopefully give us an opportunity to be with others in the great outdoors to take some exercise and to reflect on our lives. Each walk will end at the church where there we will have some refreshments and then we will have a short 10-minute service. Please book for each event on the trybooking website. You can either use the bus system to return to the start or seek to share cars with others.
