Springfield Community Church

Easter Day Celebration

Welcome & News from the Church & Community

1. **Karolina our Sessional Youth worker** is progressing plans for the start of the Springfield Youth Club. The volunteers are nearly all PVG checked which means they've been certified safe to work with children. There will be a meeting of the volunteers at Springfield Community Church on Tuesday, 23rd April at 6.30p.m. Karolina is planning the first meeting of the Youth Club on 7th May 6.30 - 8.00p.m. to continue fortnightly. The Youth volunteers will be coming along to Springfield Church in May one Sunday and it will be a good chance to meet them, thank them for their work and hear their plans for the Club. We are grateful to Louise Rennie, the school Headteacher who is working with Karolina to help build relationship and trust with pupils and parents ahead of the Club starting.

2. The minister is flying to Massachusetts towards the end of the week to be with Ian when he has his operation in Mass General Hospital in Waltham MA on Friday morning. Please check the website for dates Jane is away and details of Pastoral cover. Thank you.

3. The Worship Group is made up of elders, members and friends of CKS and is taking charge of worship while Jane is away on 7th and 14th April. Mrs Elspeth Smith, Presbytery Read is looking after pastoral cover.

11. The Pastoral Care Group is planning a '**Sing for Your Cuppa**' social event in Springfield Church on Friday, 19th April from 2 - 4p.m. The internationally renowned Cupalele Ukulele Band will be playing! Tea, coffee and cakes available and a suggested donation of £3.00 to cover basic costs. Most of the proceeds will go towards the funding of our Youth Outreach Work in Springfield, and the setting up of a Youth Club in the village. **Tickets available after Sunday services, at Wednesday Coffee Club in Springfield, from Liz Simmers at the Village Cafe at Ceres Coffee & Chat on Wednesdays. Also please call June (07732 948 363) or Anne (07939 517 585) to reserve tickets/ arrange transport.**
