

Dear Judy ...

This is very good news and a super effort ... well done! And I know you were pleased at the number of people who came, and who engaged in conversation about the places on display ...

We have been delighted that you did this in Ceres Church and that so much money has been raised for Ukraine through the DEC appeal ...

We are also pleased that you were warm!

With thanks, congratulations and best wishes ... please approach us again if we can be of any usefulness in the future ...

Best wishes,
Jane
